

精彩活動將會圍繞四個範疇：

A variety of exciting activities will be centered around four key categories:

綠色創意手作

Creative Eco Craft

通過運用可持續材料製作獨特作品，培養創意思維及環保意識。在創作過程中，讓「零碳小勇士」學習實踐綠色生活習慣。

Through creating unique pieces with sustainable materials, we nurture creativity and environmental awareness. The creative process helps "ZCP Green Heroes" to learn and practice green living habits.

探索生物多樣性

Biodiversity Exploration

探索自然環境的變化，了解生物多樣性與生態平衡。透過參與活動，「零碳小勇士」可認識大自然的價值與保護方式。

By exploring changes in the natural environment, we gain a deeper understanding of biodiversity and ecological balance. Through hands-on activities, "ZCP Green Heroes" learn to appreciate the value of nature and discover various conservation methods.

升級再造藝術

Upcycling Art

透過升級再造，賦予廢棄物新生命。「零碳小勇士」在藝術創作過程中，親身實踐循環經濟理念。

By transforming waste materials into artistic creations through upcycling, "ZCP Green Heroes" breathe new life into discarded items. Through the creative process, they actively put circular economy principles into practice.

創新科技

Innovative Technology

運用創新科技實踐節能減排，推動低碳發展。透過實驗活動，零碳小勇士將學習運用科技實現可持續生活。

By applying innovative technologies to reduce energy consumption and emissions, we promote low-carbon development. Through hands-on experiments, "ZCP Green Heroes" learn how to leverage technology to achieve a sustainable lifestyle.

任務：減少碳足跡，邁向碳中和

Mission: Reduce carbon footprint. Move toward carbon neutrality.
